**Thank you all for choosing Blue Angels In-House Cheer!
In this packet you will find season information as well as expectations.**

We strongly believe in partnering together as coaches and parents to have a successful season. Our coaches focus on building cheer skills, fostering teamwork, and encouraging self-confidence in a fun and supportive environment. We prioritize learning routines and our performances. As well as, encouraging your athletes to achieve their goals and motivate them with positive reinforcement but expect motivated athletes. Liberty expects our athletes to have positive attitudes, have respectful behavior towards coaches, parents, and other athletes.

IMPORTANCE OF PRACTICE

Each practice is designed to help the team build skills, improve coordination, and gain confidence for our performances. When athletes miss practice, it not only affects their personal readiness but also the team's overall performance.

ATTIRE

We ask that all athletes wear athletic wear such as; t-shirt, sport bra, shorts or leggings, white cheer shoes with no show socks and no jewelry. Hair should be secured away from the face in braid or ponytail. Our pro shop also has a variety of apparel options that athletes can wear to practice.

ABSENCES

While we understand that conflicts or unforeseen circumstances may arise, consistent attendance is key to ensuring that each athlete feels fully prepared and the team works cohesively. We appreciate your support in encouraging your child to attend practices regularly so that we can all shine together during our performances.

Excessive absences' could jeopardize your athlete's spot in the routine and set the team back. Please only miss practice if you are sick.

- Notify Liberty of illness before practice, so that your coach can be notified.
